

Special Home Financing Program for Physicians

When you're ready to finance your next home, we're ready to help.

Our special home financing program is designed specifically to meet your needs as a busy physician for the purchase of your primary residence.

- Financing available with no down payment – up to \$1,000,000
- Private mortgage insurance is not required – save thousands over the life of the loan
- Single family homes, townhomes, lofts, and condominiums are eligible
- Student loans that are deferred for 12 months are not counted in qualifying ratios
- Refinances with high loan-to-values are also available

You treat your patients with compassion and understanding every day, so don't you deserve the same? I will go out of my way to meet the demands of your busy schedule and make sure the mortgage loan process is a positive one.

For information on how you can take advantage of this special home financing program from BBVA Compass, give me a call today.
